—Rain or Shine—

The Hempfield Foundation was created by Faculty, alumni & parents to ensure a steady stream of funding to enrich the learning experience for the students within the Hempfield School District

The primary purpose of the Foundation is to raise funds through contributions to promote, enhance, and supplement the educational programs of the Hempfield School District.

The Foundation encourages innovative and creative approaches to educating the students within the district. The Foundation awards grants for projects that enrich and enhance the existing educational programs. It currently administers **three** scholarship programs available to Hempfield students for college and post-secondary education. **To date over \$640,000 in scholarships and grants have been distributed and over \$58,000 will be distributed in the upcoming school year.**

The results of your contribution will benefit thousands of Hempfield students. Proceeds from the tournament will also be used to fund a Music Endowment at the Hempfield School District.
