The Lancaster Asian Americans and Pacific Islanders (AAPI) Scholarship

About this scholarship: The Hempfield Foundation was established in November 1993 after interested Hempfield residents met to discuss ways to enhance the educational opportunities of public school students. The Foundation raises funds through tax-deductible contributions, endowments, and fund raisers, to promote, enhance, and supplement educational programs of the Hempfield School District. A key part of this mission is to provide scholarships to graduating seniors.

Lancaster Asian Americans Pacific Islanders (AAPI) began with a group of Asian Americans searching for a larger community and an opportunity to amplify individual voices, allow people to connect, and to celebrate AAPI contributions to the rich history of Lancaster County. The organization includes dedicated community members who are working on advocacy, development, events, marketing, communications, and more.

One Lancaster AAPI Scholarship of \$1,000 will be awarded annually by the Foundation as funding is available.
