

We invite all Hempfield School District school students to participate in the...

Hempfield Foundation Bookmark Design Contest

Help us design our 2026 Read Across America bookmark!

What's your favorite thing about reading? Maybe it's getting to explore a different world? Or revisiting your favorite book characters over and over again. Whatever it is, design a bookmark to show us why you love reading and your artwork could be distributed across the district! In your design, we are looking for positive messages and artwork that's executed by hand. No computer-generated submissions, please!

How winners will be chosen: The Hempfield Foundation board will select semifinalists. One elementary, one middle, and one high school winner will then be selected by a public vote on the Hempfield Foundation Facebook page **during 3/16–3/23/26** as part of Read Across America month. Winners will be announced on our Facebook and Instagram page on 3/26/26. The winners will each receive a \$25 Barnes & Noble gift card.

The Hempfield Foundation is dedicated to supporting the tradition of academic excellence throughout the Hempfield School District. Since 1993, the Foundation has donated more than \$1,000,000 to programs within the district, through the generous support of our community. **Learn more at HempfieldFoundation.org**
